"Goodness, me!" said the doctor, running his hand over the top of the saucepan. "How on earth did this happen? Were you trying to cook your own head?!"

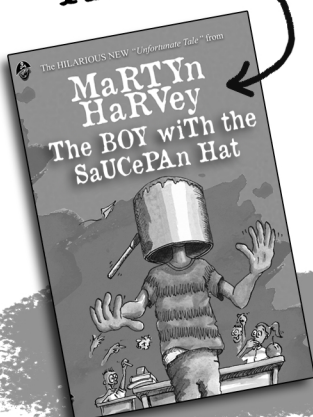

The saucepan shook slowly from side to side...

"No..." (Oliver mumbled)
"I just woke up like this!"

"Oh dear!" said the nurse.
"Shall I go and get that *special grease?*"

(It's from
THIS book!)

"Yes, please," said the doc.
"...and you'd better get several jars - we're going to need *a lot!*"
